

THE PORT AUTHORITY OF NY & NJ

Supervising Surveyor

The Port Authority of New York and New Jersey is a bistate public agency operating some of the busiest and most important transportation links in the New York/New Jersey region.

The Port Authority is seeking to fill a position of a **Supervising Surveyor** in the Engineering Department's Central Survey Group. As a Supervising Surveyor you will be responsible for assisting the manager in planning and directing work for multiple survey crews as well as for consultant crews.

Requirements:

- Bachelor's Degree in Land Surveying from an accredited four-year college or university is desirable. Registration as a licensed Land Surveyor in the State of New York or New Jersey is required. A dual registration is preferred.
- Minimum of fifteen years experience in all land surveying disciplines, with at least seven years in a supervisory position is required.
- Demonstrated experience in managing large survey projects, including topographic, boundary, aerial mapping, horizontal and vertical control systems, hydrographic, underground utility location and construction layout and right-of-way surveys.
- Comprehensive knowledge of AutoCad, Global Positioning Systems, electronic survey instrumentation and data collection is required.
- Familiarity with scanning technologies and Geographic Information Systems is recommended.
- Demonstrated problem solving, negotiation and conflict resolution skills, as well as the demonstrated ability to supervise, plan and direct staff in the performance of complex land surveying functions.
- Superior oral communication, written communication and presentation skills are required. A current Driver's License is required.

The Port Authority of New York and New Jersey offers competitive compensation and benefits as well as providing the opportunity to be a part of one of the most extensive and complex rebuilding projects in the nation. All interested candidates should e-mail resume and cover letter with salary history to: resumes@panynj.gov and indicate "**Supervising Surveyor**" in the subject line of your email.
